2. The work of all the Ist Class Courts in the District will increase further considerably hereafter, now that intensive Procurement and Statutory as well as rural rationing have been introduced. The Sub-Divisional Magistrates will find it rather difficult to attend to Court-work, as they will have to devote special attention towards procurement and rural rationing. It is, therefore, essential in the interest of administration of justice to continue the two temporary Courts in this District upto 31-12-1949.

3. I request that the Board may be pleased to address the Government through the High Court for the further retention of both the Additional First Class Magistrates together with their staff beyond the date of sanction upto 31-12-1949. I further reques permission to continue these courts after ~~continue these courts after~~ the expiry of their period in anticipation of sanction.

4. I am continuing the post of Additional First Class Magistrate, Hospet, the period of sanction of which post expires by 31-10-1948 in anticipation of sanction and that of Additional First Class Magistrate, Bellary, the date of sanction for which post expires on 31-12-1948.
